NOTES ON YOUR MENU

Hors d'oeuvres—delights to whet your appetite—from the cool waters of Puget Sound. The salmon smoked by the old process of the Quinault tribe. The legs of the best crab in the world . . . our own Dungeness. The delights of gourmets everywhere served on half shell, our Quilcene oyster. To top it all, the true taste of Beluga Caviar.

The dinner itself gets under way with a soup that is unparalleled ox-tail that has been carefully watched every minute during its preparation with a final infusion of aromatic fines herbes and magnificent Xeres wine that gives this ox-tail this delicious, unexplainable flavor.

The center part of choice steer filets are roasted to a closely watched point and then blanketed with paté de foie gras before slipping it into a croustade de Brioche for further baking to a perfect finish. This delicacy will be accompanied by hearts of artichokes filled with asparagus topped with Mornay sauce and leg-shaped rissolee potatoes spiced with a light touch of thyme.

You know a dessert can make a meal—that is the way our Pastry Chef created this succulent Bombe—two layers of ice cream mousse flavored with Grand Marnier flamed which adds the final touch to this truly Gourmet dinner.
