YOU ARE MOST CORDIALLY INVITED TO VISIT THE DRAMA OF THE GREATEST CITY IN THE WORLD

... many hold that no spectacle in the world can equal NEW YORK'S panorama from the air ... come to the City Pavilion ... see the half acre model ... every structure, bridge, highway and park in detail ... take the helicopter ride ... and you are there ... in the air ...

... over three hundred years ago, New York looked like this\*... a century ago like this\*\*... the city's 34 museums present an outstanding exhibit of the old ... the exciting present\*\*\*... and the fascinating future\*\*\*\*... an exhibit of RELIGION, EDUCATION, CULTURE, SCIENCE, HISTORY ... AND FUN ...

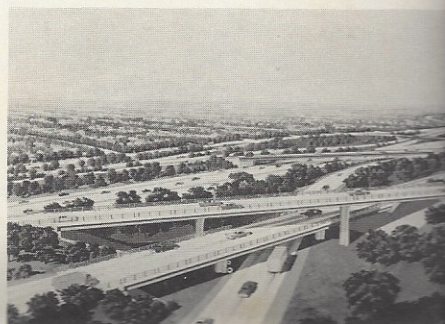

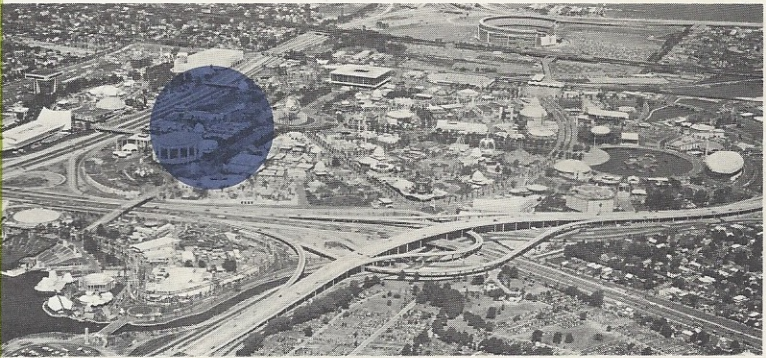

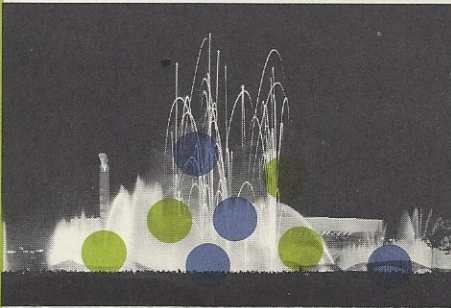

\*

\*\*\*\*

... eight million new cars last year ... and even more this year ... New York has its full share and the complications of several formidable waterways ... the Hudson River, Long Island Sound, East River and the Narrows ... TRIBOROUGH and the PORT AUTHORITY have built fifteen major water crossings in the last four decades ... culminating in Triborough's great Verrazano-Narrows Bridge opened in 1964 ... we have coordinated the billion dollar highway program ... we invite you to see the highways of the future ... and a demonstration of the great Federal Interstate and Defense Highway system along the Atlantic Seaboard ...
